Cas Abao Events

Waving palm trees, a sandy beach and turquoise water...

Cas Abao is a wonderful beach with many possibilities for any celebration!

If you are thinking about planning any special event like a family day, your next birthday party, a corporate event, a wedding, a kids party... Why not celebrate it in style on Curaçao's most pristine beach?

Just imagine: sunny pictures on a white sandy beach and the blue Caribbean Sea as a backdrop... a toast in the open air with your toes in the sand... participating in the Beach Olympic Games both in the water and on the beach... a multifunctional place where you can relax, be worshipped by the sun, where you can swim, dive, snorkel, paddle board and kayak at your heart's content, where you can dine at night under the stars...

What more could a person ask for but these typical elements of a true Cas Abao Event?!!
